Geographic Area: Borough of Brent excluding that administered by Old Oak Common and Park Royal Development Corporation.

Matters the Plan Will Deal with:

- The spatial strategy for the area;
- housing needs and housing delivery;
- employment and economic development;
- town, district and local centres, including retail and leisure uses;
- transport, movement and accessibility;
- infrastructure, including social, physical, green and digital infrastructure;
- community facilities and services;
- design quality, local character and placemaking;
- climate change mitigation and adaptation;
- flood risk, drainage and environmental resilience;
- the natural environment, biodiversity, open space and green infrastructure;
- the historic environment and heritage assets;
- the effective use of land, including site allocations and area-based policies;
- development management policies to guide planning decisions.

Supplementary Plans to be developed:

None, subject to results of scoping consultation.

This timetable has been prepared in accordance with the Town and Country Planning (Local Planning) (England) Regulations 2026 and takes effect from ***30 October 2026****.*
